Linnala playschool

Linnala Playschool is a small and cozy early childhood education unit in the middle of Savonlinna, opposite the Savonlinna Cathedral. It is a fun and friendly place for 1- to 5-year-olds to learn and grow. Our professional staff works together with the parents with the goal of nurturing a healthy, growing, developing, and learning child.

At the playschool, children have the opportunity to learn English language in the form of games, songs, and rhymes. Once a week, children aged 3–5 receive a guided lesson by an English-speaking teacher. We move, sing, play, and do crafts, all while embracing the surrounding nature and the changing seasons, exploring and observing their transformations in various ways.

We offer both full-time and part-time care. For more details, contact Pasi Savolainen, pasi.savolainen@linnala.fi, +358 40 680 3806.
